

FRESNO CHAMBER OF COMMERCE

Security Camera Grant Program

Program Objective

This grant provides up to \$2,000 for the installation or expansion of security camera equipment in small businesses within the city of Fresno to combat crime.

Program Requirements

Businesses receiving the grant must be in good standing with the City of Fresno, must have a business license, and be located within the 2024 Qualified Census Tracts and Difficult Development Areas. Businesses may install their own camera or hire a company to perform the installation. Security camera equipment must be able to hold recordings for up to 72 hours either locally or in the cloud. Priority will be given to small businesses of less than 25 employees.

To see if your location is within one of these areas please go here:
