Fresno's 2026 State of the City Event: Tickets on Sale March 24!

Join us for the 2026 State of the City Luncheon on Wednesday, May 6 at the Fresno Convention & Entertainment Center.

FRESNO, CA, March 26, 2026 — The Fresno Chamber of Commerce is pleased to announce that tickets and sponsorship opportunities will be available starting March 24 for the 2026 State of the City, the Chamber's premier civic event, presented by Amazon, Chevron, Fresno Association of Realtors, the Fresno Regional Workforce Development Board, Noble Credit Union, Visit Fresno County, Sagaser Watkins & Wieland PC and Producers Dairy.

In partnership with Mayor Jerry Dyer and the City of Fresno, this year's event will embrace the theme **"Fresno Is Under Construction,"** highlighting the ongoing progress shaping the city's future. The annual luncheon brings together business leaders, elected officials, and community members to reflect on Fresno's growth and the work still ahead. From infrastructure upgrades to economic development and neighborhood revitalization, Fresno continues to build momentum across every corner of the city.

The luncheon will take place on Wednesday, May 6, at the Fresno Convention & Entertainment Center's New Exhibit Hall. A VIP Meet & Greet will begin at 10:30 a.m., where the mayor will present this year's outstanding community leaders with their awards, followed by the main program at 12:00 p.m. Tickets will be available for purchase through May 2, starting at \$95 for Chamber members and \$110 for non-members. A variety of sponsorship opportunities will also be available. Mayor Jerry Dyer shared his perspective on this year's theme:

"Fresno is under construction—in the best way possible. Across our city, progress is visible in the investments we're making in infrastructure, our growing economy, and the revitalization of our neighborhoods. We are building a stronger, safer, and more vibrant Fresno. While there is still work ahead, every project and every partnership is laying the foundation for a city that future generations will be proud to call home."

In addition to Mayor Dyer's address, the event will recognize outstanding community leaders and feature the presentation of this year's prestigious Key to the City award.
